SUMMARY

Product designer with 6 years of experience building design systems and end-to-end experiences for consumer and B2B products. Combines strong visual craft with a research-driven process, and has led design for products used by over 2 million people.

CORE SKILLS

Design	Interaction design, design systems, prototyping, accessibility (WCAG 2.1)
Tools	Figma, Framer, Adobe Creative Suite, Principle
Research	Usability testing, journey mapping, survey design

EXPERIENCE

Senior UX/UI Designer Brightlane Financial — New York, NY	Apr 2022 - Present
- Lead designer for the mobile banking app used by 2.1M active customers; own the end-to-end design system adopted across 4 product squads. - Redesigned the money-transfer flow after a mixed-methods research study, reducing task failure rate from 22% to 4% and cutting average completion time in half. - Established the company's first accessibility guidelines, bringing core flows into WCAG 2.1 AA compliance. - Ran quarterly design critiques and mentored 2 junior designers.	
Product Designer Nimbus Collective — New York, NY	Sep 2019 - Mar 2022
- Designed a B2B scheduling tool from concept to launch, contributing to the product reaching 10,000 paying teams within its first year. - Built and maintained a shared component library in Figma that cut design-to-dev handoff time by roughly 30%. - Conducted over 80 user interviews across 3 product lines to inform roadmap prioritization.	
UI Designer Studio Halcyon — Brooklyn, NY	Jul 2018 - Aug 2019
Designed marketing sites and product UI for 6 early-stage startup clients.	

EDUCATION

Rhode Island School of Design B.F.A. in Graphic Design	2014 - 2018
