

Kwame Asante

Cloud Solutions Architect

kwame.asante@parallellmail.com | (404) 555-0143 | Atlanta, GA | [linkedin.com/in/kwameasante-cloud](#) | [github.com/kasante](#)

SUMMARY

Cloud solutions architect with 9 years of experience designing and migrating enterprise workloads to AWS and Azure. Skilled at translating business requirements into secure, cost-efficient cloud architectures, and has led migrations worth over \$30M in annual infrastructure spend.

CORE SKILLS

Cloud Platforms	AWS (VPC, EC2, RDS, EKS, Lambda), Azure (AKS, App Service)
Infrastructure as Code	Terraform, CloudFormation, Ansible
Architecture	Multi-region design, disaster recovery, cost optimization, landing zones
Security	IAM design, network segmentation, compliance (SOC 2, HIPAA)

EXPERIENCE

Senior Cloud Solutions Architect Feb 2021 - Present
Parallel Consulting Group — Atlanta, GA

- Lead architect for cloud migration engagements across 12 enterprise clients, collectively representing over \$30M in annual cloud spend.
- Designed a multi-account AWS landing zone framework now used as the standard template across all new client engagements, cutting initial setup time from 6 weeks to 10 days.
- Led a disaster-recovery redesign for a healthcare client that reduced recovery time objective from 8 hours to 35 minutes while maintaining HIPAA compliance.
- Delivered a cost-optimization initiative for a retail client that reduced monthly AWS spend by 31% without impacting performance SLAs.

Cloud Engineer Jun 2017 - Jan 2021
Ferris Digital Solutions — Atlanta, GA

- Migrated a fleet of on-premises data-center workloads to AWS for a logistics client, decommissioning 3 physical data centers.
- Built Terraform modules that standardized infrastructure provisioning across 8 internal teams.
- Implemented centralized logging and monitoring with CloudWatch and Datadog, reducing incident detection time by 60%.

Systems Engineer Aug 2015 - May 2017
Redstone Systems — Charlotte, NC

- Administered on-prem virtualization infrastructure (VMware) supporting 200+ production servers.

EDUCATION

Georgia Institute of Technology 2011 - 2015
B.S. in Computer Engineering

CERTIFICATIONS

- AWS Certified Solutions Architect - Professional
- Microsoft Certified: Azure Solutions Architect Expert
